

Position: Viticulturist

Location: Yakima WA,

Type: Full Time

Description:

Winemakers L.L.C is looking for a full time viticulturist. This position is for the Washington and Idaho company vineyards so some travel is involved. Individual should be self motivated, detailed orientated and able to work alone as well as with others.

Primary duties:

Crop estimates, monitoring for disease and pests, record keeping of pesticide applications and farming practices.

Requirements:

Viticulture degree or previous work experience in the wine grape industry, able to work with Microsoft Excel, fluent in Spanish a plus but not required.

Send resume and cover letter to:

Brian Weinmann
